

Thermilate Certificate of Testing

The Faculty and Board of Managers of
National Standards Testing Laboratories
hereby certifies that the following material: **THERMILATE**
has shown the following properties:
Thermal Conductivity: k 0.061
Refractive Index: 1.53
Melting Point: 1,800 deg. C Maximum heat Resistance: 20 ★ ★ ★ ★ ★
Dr. Leonard Bantson, 311625
PO Box 24123 Washington, DC 20012 **Certification No: Ins-4539-cfa**
